

HEAVY GAMMA EURO

SIGLE VEICOLI

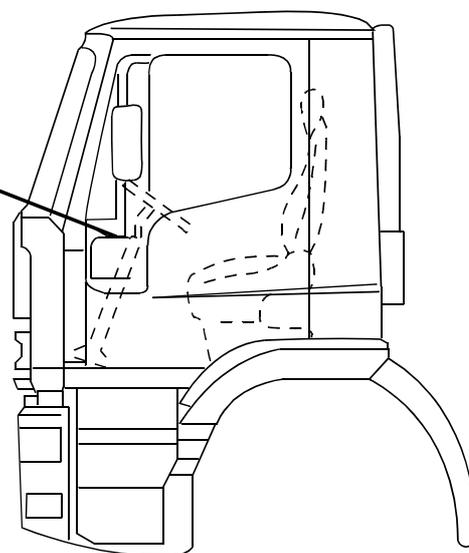

IDENTIFICAZIONE DELLE SIGLE

La sigla, riportata sulle portiere, è costituita da 3 parti:

- la prima serie di tre cifre indica il peso totale a terra (PTT) espresso in quintali (ton / 10)
- la E identifica la gamma Euro, nata nel 1992
- la seconda serie di cifre esprime 1/10 della potenza del motore
